Are you 16 years or older and looking for a great summer job? Lifeguard Training Class is a great opportunity to train and learn to save lives in the aquatics environment. Classes include CPR, First Aid, and Oxygen Administration training. Students will get an understanding of the aquatic environment and what it takes to be a lifeguard. This certification is through the YMCA of the USA and is good for 2 years. Lifeguarding puts you in an exciting position, working as part of a team to help people safely enjoy the water.
